

# Arjuna Natural Animal Nutrition

[arjunanatural.com](http://arjunanatural.com)

Three Decades of **Turmericology**  
Now Transferring to **Animal Nutrition**

# Innovating for **35 Years** and counting...

**135+**

**High Impact factor publications**  
Average **8 publications/year**  
JCI impact factor of 2.3

**120+**

**International and National patents**  
Average **25 patents** filed per year

**40+**

**Scientist in Dedicated Innovation Zone**  
with facilities for full phytochemical  
investigation to pre-clinical studies  
up to application support

**70+**

**Human Clinical Trials**  
to world standards

**100+** Global Channel  
Partners

Customers in  
**70+** Countries

**1 Million+** Consumers  
Worldwide

PRODUCTION FACILITY  
EDAYAR, ERNAKULAM, INDIA

PRODUCTION FACILITY  
COIMBATORE, TAMILNADU, INDIA

LIVLONG NUTRACEUTICALS LTD

SALES OFFICE  
TEXAS, USA

ARJUNA INNOVATION CENTRE  
KEEZHMAD, ERNAKULAM, INDIA

CORPORATE OFFICE  
ALWAYE, ERNAKULAM, INDIA

PRODUCTION FACILITY PERUNDURAI  
ERODE, TAMILNADU, INDIA

Bettering lives across the globe through  
**Innovative Natural Solutions.**

## BRANDS

### SwineMax

Non Parel Productivity

Transition Management  
Ensures better piglet survivability  
Strong Immunomodulation  
Improves Feed Efficiency

### MaxMune

Calf a Year

Transition Management  
Ensures Calf Health  
Strong Immunomodulation  
Reduces Mastitis Incidence

### AquaTOC

Immunity – Profitability

Strong immunomodulation  
Improves Gut Health  
Strong Anti-Oxidant  
Improves FCR

### ShellMatrix

Every Egg Counts

Improves Egg Shell Quality  
Improves Aged Bird Performance  
Hormonal Regulation  
Digestive Enzyme Stimulation

### Oxy2Grow

Better Feed Efficiency

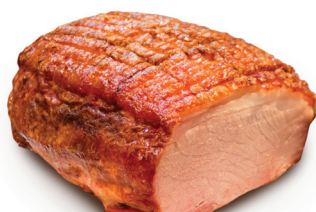

Increased Blood flow to all organs  
Better FCR, Strong Anti-Oxidant  
Boosts Muscle Mass

### YolkPro

15-20 times more Omega 3

Hair texture, Hair strength  
Hair shining, Coat greasiness  
Coat glossiness  
Alopecia reduction

### BetaLean+

Lean Meat Production

Burn fat  
Increased metabolism  
Improves FCR

### Cap AGP+

Natural Growth Promoter

Anti-bacterial, Anti-viral, Anti-fungal  
AntiProtozoal, Improved metabolism  
Ensure Gut health

### Campo H+

Seal the Leaky Gut

Reduce leaky gut syndrome  
Ensure gut integrity  
Maintain healthy tight junction

### EucaRespo

Respiratory Solution

Strong Expectorant  
Mucolytic, Broncho dilator  
Increased Cilial health & movement  
Increased oxygen flow

### Phycocc

Natural Anti-Coccidial

Strong Anti- Coccidial effect against  
all Eimeria Species, Ensure gut health  
Boost gut immunity,  
Improve Gut Morphology

### FenuPlus

Ammonia Absorber

Reduces Ammonia Production & release  
Improved digestion & absorption  
Improves Gut Health

## STANDARDIZED INGREDIENTS

### Curcumin Oil

Anti-inflammatory, antioxidant, boosts immunity, enhances liver health, supports digestion, and improves overall health status.

### Curcumin 20-30%

Potent antioxidant, anti-inflammatory, aids in immune modulation, supports joint health, improves gut health, and production efficiency.

### Tymol/ Eurgenol/ Carvacrol

Antimicrobial, supports gut health, enhances digestion, boosts immunity, reduces pathogenic load, improves feed conversion ratio.

### Garlic Extracts

Antimicrobial, antifungal, enhances immunity, supports cardiovascular health, antioxidant properties, and improves respiratory health.

### Neem Extracts

Antimicrobial, antiparasitic, supports liver health, promotes skin health, enhances immunity, aids in internal detoxification.

### Saponins

Antiparasitic, improves nutrient absorption, reduces ammonia production in the gut, supports liver health, enhances digestion.

### Tannins

Antimicrobial, antioxidant, promotes gut health, reduces methane emission in ruminants, enhances protein utilization.

### Ashwagandha Extracts

Adaptogenic, reduces stress, supports immune health, improves energy utilisation, supports reproductive health, enhances resilience.

### Pomegranate Extracts

Antioxidant, anti-inflammatory, supports cardiovascular health, enhances immune response, aids in muscle recovery and growth.

### Cinnamaldehyde

Antimicrobial, promotes gut health, aids in digestion, reduces pathogenic bacteria, supports feed efficiency, antioxidant.

### Tulsi Extracts

Antioxidant, immune-modulating, supports respiratory health, reduces stress, promotes skin and coat health, anti-inflammatory.

### Capsaicin Palatable Granules

Antimicrobial, improves metabolism, enhances nutrient absorption, aids in stress reduction, supports fat burning, supports weight management.

120+ International Patents
